

Alfa 56 Specifications and Photo

.The **Alfa 56 Exclusive** is the flagship of the **Alfa Fleet**. At every turn, equipment and systems have been engineered to the most demanding blue water specifications. A unique, structural fiber glass grid is bonded to the hull and provides both strength for the hull and a massive foundation for securing bulkheads, equipment, engine and tanks. The generous deck beam is carried well aft providing for an expansive cockpit with twin steering stations. The 5, 4 and 3 cabin layout (plus skipper cabin) are built for self-sufficient extended offshore cruising.

Fully equipped with all the luxuries the Alfa 56 embodies all that is essential to safe passage making and all that is desired in performance, function, comfort and luxury.

All the sails are electric sails.

She is fully air-conditioned through-out and her central saloon area seats comfortably 10-12 passengers and offer TV-DVD and CD player for the clients entertainment.

The cockpit area with her large table for dining "al fresco" is shaded with large bimini and spray hood.

There are three versions of the **Alfa 56 Exclusive** available for charter :

1. **Alfa 56 Exclusive for Charter** (5+1) cabins, 5 passengers cabins, plus 1 skipper cabin and fully air-conditioned.
2. **Alfa 56 Exclusive** (4+1) cabins, 4 passengers cabins, plus 1 skipper cabin and fully air-conditioned.
3. **Alfa 56 Exclusive VIPs** (3 +1) cabins, 3 passengers special cabins, plus 1 skipper cabin and fully air-conditioned.
